KornerBoard Easy Ordering

Pricing is based on 48" wide board in lengths up 10 feet

When figuring out if a shape is possible add 1.25" per cut

Example Profile 4, at 12"x12"x12"x6"x6" would equal 53 1/8"

.35/lf adder if 54" board is needed

– Larger shapes can be made, but would only be 4' long

– Finished Mitered (L Bead) Edges can be milled for an additional charge of \$.30/lf
